This limited warranty does not apply on Evinrude parts and accessories.

RIDING GEAR SAFETY RULES AND RECOMMENDATIONS

When you're the driver of a personal watercraft, you need to take the safety of your passengers and yours personally.

1. You and your passengers are required to wear an approved personal flotation device (PFD) certified for use with a personal watercraft.
2. Wearing a wetsuit and/or neoprene bottoms will provide adequate protection to the lower part of the body. You can suffer severe internal injuries if water is forced into a lower body cavity as a result of falling in the water or being near the jet thrust nozzle. Normal swimwear cannot appropriately protect against forceful water entry.
3. Finally, extra protective equipment such as footwear, gloves and goggles is also recommended.

You can find all of these items at an authorized Sea-Doo dealer or online at store.sea-doo.com.

FIND YOUR *perfect* PFD

The smartest way to enjoy a perfect day on the water is safely.
Sea-Doo offers 3 categories of PFDs to match how you ride.

NYLON - The All-Purpose

- Dries fast
- Lightweight
- Best value
- Low water absorption

NEOPRENE - The Athletic

- Fitted
- Increased comfort
- Ease of movement
- Warmest of all against the skin

ECOPRENE - The Ultimate

- The best of both worlds
- Dries as quick of nylon
- Lighter than neoprene when wet
- Low water absorption
- Added ventilation

THE ALL-PURPOSE NYLON PFDs

Built to last and made to wow.
Enjoy light and versatile comfort, safety, and style.

MOTION PFD TECHNICAL FEATURES

- Super-duty nylon outer shell.
- Polyethylene foam inserts.
- Segmented foam at back bottom for increased comfort while seated (on men's PFD only).
- Canadian Coast Guard approved.

1. 4 woven straps with quick-release buckles (3 buckles on Canadian ladies' XL to 4XL PFDs).
2. Armholes cut large for riding comfort.
3. D-ring for floating lanyard.
4. Loop at back neck for goggle-to-PFD attachment cord.

THE ATHLETIC NEOPRENE PFDs

Form-fitting flexibility and performance that moves with you and for you.

FREEDOM PFD TECHNICAL FEATURES

- Revised comfortable fit.
- Ultra-durable neoprene outer shell.
- Combination of PVC and polyethylene foam inserts.
- Canadian Coast Guard approved.

1. Segmentations at front and back for better comfort and ease of movement.
2. Side panels in stretch lining fabric for improved comfort.
3. 2 woven straps hidden at back with quick-release buckles.
4. Lumbar comfort zone inside the PFD.
5. Strategically-placed mesh drain panels.
6. Armholes cut large for riding comfort.
7. Heavy-duty front zipper.
8. D-ring for floating lanyard.
9. Loop at back neck for goggle-to-PFD attachment cord.

The Freedom PFD's flexible neoprene construction makes it ideal for both riding your watercraft and doing tow sports.

LUMBAR COMFORT ZONE

4 Extra foam padding to minimize the pressure on your lower back while bolstering support.

MESH DRAIN

5 Mesh panels drain away excess water for quick drying and thermal regulated comfort.

RIDING SUIT

A versatile riding suit that suits you on and off the water.
For those times when anything less isn't quite enough.

ELEMENT RIDING JACKET AND PANTS TECHNICAL FEATURES

- Windproof, water-resistant and quick-dry light jacket and pants perfect for chilly days.
- Look cool while riding or when going to a restaurant.
- Laminated membrane offers water resistance and breathability.
- Teflon† water-repellent treatment.
- Brushed-knit polyester thermal fleece that offers ultimate warmth, stretch and breathability.
- Separate mesh pouch to store the jacket and pants.
- Jacket-pants connector loop at back.
- 100% polyester.
- Jacket and pants are sold separately.

ELEMENT RIDING JACKET

- Fit to be worn under the PFD.
- Slim fit to keep snug against the wind and keep warmth inside.

1. Water-repellent treatment.
2. 2 exterior pockets designed to avoid bulkiness with PFD when they are stuffed.
3. 1 interior pocket.
4. Soft mesh inside for additional comfort.
5. Hook-and-loop tab at wrist for adjustment.

$39.99

SIZING CHART

Size up for the perfect ride.

BE SURE TO MEASURE YOURSELF TO FIND THE RIGHT SIZE.

HOW TO MEASURE

For best results, have someone else take measurements. Measure body in swimsuit or undergarments. Tape must be snug but not tight. If measurements fall between two sizes, order the larger size.

HEIGHT

Stand with back straight, without shoes; measure from the top of the head to the floor.

CHEST

Measure under your arms, around the fullest part of your chest.

WAIST

Measure around your natural waistline, keeping one finger between the tape and body.

HIPS

Stand with legs together, measure around the fullest part of your hips, ensuring the tape is level.

ARM LENGTH

Let your arm hang down on the side in a slightly bent position. Measure from the center of the back of your neck, along the length of your arm, to the wrist.

INSEAM

Without shoes, from crotch to the floor.

SEA-DOO SPARK ACCESSORIES

The most customizable watercraft on the market lets your true colors shine, with fully integrated accessories that are all about personality – yours.

For other Sea-Doo models, see p. 38.

A new way to play

HANDLEBAR WITH ADJUSTABLE RISER

- The one-of-a-kind handlebar with adjustable riser gives you more leverage to easily maneuver the Sea-Doo SPARK and customize your experience to your personal riding style.
- Quickly adjust steering to a variety of heights - use the lower position for cruising/sit-down riding, or extend to maximum height in seconds for stand-up riding.
- Adjustable length of 1.625" to 4" (42.5 mm to 103.5 mm).
- Just flip the lever to make the adjustment, no tool required.

Installation required:
Sea-Doo SPARK without iBR*™ (2016 and prior): 278003491, 295100702
Sea-Doo SPARK without iBR (2017): 278003491
Sea-Doo SPARK with iBR (2016 and prior): 278003490, 295100702
Sea-Doo SPARK with iBR (2017): 278003490

Sea-Doo SPARK
295100701
$299.99

*Intelligent Brake and Reverse (iBR)

ADJUSTABLE RISER RETROFIT KIT

- Replaces stock central console to allow for installation of Handlebar with Adjustable Riser (295100701).
- Handlegrips with Palm Rest included (295100700).
- Reinforced design, includes all hardware required for installation.

Sea-Doo SPARK (2016 and prior)
295100702
$119.99

WIRING HARNESS

(Not illustrated)

- Required in order to install the Handlebar with Adjustable Riser (295100701) and/or RF D.E.S.S Key (295100712).
- Works for either accessory or when using both at the same time, so no need to buy a second harness.

Sea-Doo SPARK with iBR	Sea-Doo SPARK without iBR
278003490	278003491
$89.99	$89.99

STEP WEDGES

- Provide more stability and confidence in different tail stand riding positions.
- Rear footrest with a 45-degree slope to enable you to stand upright on your watercraft when performing tail stands and ultimately expand your range of possibilities by making it easier to pull off even more tricks.

Sea-Doo SPARK
295100705
$109.99

EXTENDED RANGE VARIABLE TRIM SYSTEM (VTS)

- This Sea-Doo exclusive accessory lets you exaggerate how high you can raise the nose or how deep you can bury it in the water.
- The extended range VTS doubles the range of adjustment compared to our current standard VTS.
- Adjustments are instantaneous thanks to the quick activation switch mounted on the handlebar to allow fine tuning of the watercraft trim angle while riding.
- Simple plug-in connection, and includes switch, cap and hardware necessary for installation.

Sea-Doo SPARK with iBR (2017)
295100704
$239.99

The higher tow point makes it easier for wakeboarders and skaters to jump and get air. Equipped for stowing your board when not in use, and with a special latch to hang the ski rope between rides.

TOW PRO

- Three accessories in one – a tow pylon, spotter handle and equipment rack.
- Add more fun to pulling wakeboarders, wakeskaters and tubers thanks to higher tow point.
- Give the spotter more confidence with ergonomic grab handles.
- Carry your board out to clear water.
- Includes a strap for conveniently stowing your tow rope.

Sea-Doo SPARK 3up

295100605

$414.99

WATCH THE TOW PRO VIDEO
www.sea-doo.com/videos

REBOARDING STEP

- Convenient step with knee-friendly surface.
- Installs easily on the right side of a Sea-Doo SPARK watercraft and can hold up to 250 lb (113 kg).
- The Reboarding Step easily mounts on the transom and can be installed by any authorized Sea-Doo dealer in minutes.

Sea-Doo SPARK

295100642

$114.99

The Reboarding Step makes it easy to reboard from deep water after taking a swim or following a wake session.

WATCH THE REBOARDING STEP VIDEO
www.sea-doo.com/videos

VARIABLE TRIM SYSTEM (VTS)

- Adjustments are instantaneous thanks to the quick activation switch mounted on the handlebar to allow fine tuning of the watercraft trim angle while riding.
- Simple plug-in connection, and includes switch, cap and hardware necessary for installation.

Sea-Doo SPARK with iBR

295100630

$254.99

The Variable Trim System provides preset positions for quick settings when adjusting boat trim. When you trim up, you'll have a drier ride, which helps when towing. When you trim down, you can ride more aggressively while staying glued to the water.

CARGO NET

- With a 4L (1.05 US gallon) capacity, this cargo net keeps regularly used items in place.
- The mesh material allows water to drain out easily and air to circulate, perfect to stow your Snap-in Fenders, tow ropes or diving mask.
- An elastic cord allows you quick access, while keeping your items secured.

Sea-Doo SPARK

295100559

$44.99

SEA-DOO SPEED TIE

- Fully-integrated watercraft mooring system, providing the ultimate in convenient, quick and secure docking.
- Snap-out plates front and rear on Sea-Doo SPARK models allow easy installation and positioning of the Sea-Doo Speed Tie system.
- Stores 7' (2.1 m) of rope and locks to desired length.
- Sold in pairs.

Sea-Doo SPARK

295100496

$244.99

The Sea-Doo Speed Tie makes docking easier than ever with seven feet of retractable dock lines at the helm and on the transom that effortlessly stow out of sight. The Speed Tie system frees up storage space and ensures you have a dock line at all times.

SNAP-IN FENDERS

- Protect your investment from dock damage with these easy to install and remove fenders designed specifically for Sea-Doo watercraft.
- Pre-molded holes front and rear on the Sea-Doo SPARK models ensure a solid mount in the optimal spot.
- The Snap-in Fenders float and the high visibility orange color keeps them in sight.
- Requires Snap-in Fenders Installation Kit (295100550) to install on models other than Sea-Doo SPARK.
- Sold in pairs.
- Patent pending.

All PWCs

SIDE PROTECTOR
- This 6-piece rubber formed protector is specifically designed for the Sea-Doo SPARK.
- Its curves and angles follow the lines of the watercraft to enhance the look while protecting it from small impacts and wear.
- Doesn't get in the way of Snap-in Fenders or any maintenance you need to perform.

Sea-Doo SPARK
295100575
$169.99

GRIP MAT
- This EVA foam material grip mat ensures both comfort and traction.
- Easy to install with the double sided tape attached to the mat.

Sea-Doo SPARK
295100556
$134.99

GRIP MAT EXTENSION
- This EVA foam material grip mat ensures both comfort and traction.
- Allows you to reboard to a cushioned platform while protecting it from wear and tear.
- Easy to install with the double sided tape attached to the mat.
- For full protection on a 3up, add the Grip Mat (295100556).

Sea-Doo SPARK 3up
295100571
$64.99

FRONT DEFLECTOR LID KIT
- Made of polypropylene, this removable deflector directs water away from the driver's feet and legs for a drier ride.

Sea-Doo SPARK
295100553
$104.99

FRONT STORAGE BIN KIT
- Soft-sided design matches the contours of the Sea-Doo SPARK model to maximize storage.
- Maximum storage capacity: 28 L (7.4 US gallons).
- Polyurethane construction protects items from rough waves and those spirited rides.
- Drain holes at bottom.
- Lid is included.

Sea-Doo SPARK
295100504
$169.99

295100574 295100638

CHILL SHADE

- Don't go looking for shade - bring it with you.
- The innovative Chill Shade provides versatile protection both on the water and at the beach.
- Can be used at speeds up to 35 mph (56 km/h) when properly set.
- Can be easily installed while out on the water and stores conveniently.
- Made of colorful netting, it comes with 2 integrated pouches to be used as sand anchors on the beach.

The Chill Shade is a versatile sun shade that was engineered to be mounted on the Sea-Doo SPARK while anchored or easily removed for setup on the beach, providing shade on the sunniest days.

Sea-Doo SPARK	Sea-Doo SPARK
295100574	295100638
$169.99	$169.99

SEA-DOO SPARK PANEL KIT

- Colored panel kit that allows you to change your vehicle color.
- Kit includes: 3 panels, Sea-Doo SPARK decals, BRP logo and required hardware.

Sea-Doo SPARK

295100613 • Bubble Gum	295100617 • Pineapple	295100628 • Key Lime
295100614 • Licorice	295100616 • Vanilla	295100674 • Chili Pepper
295100615 • Orange Crush	295100627 • Blueberry	

$494.99

MANUAL REVERSE KIT
- This kit can be easily added to your Sea-Doo SPARK and will aid immensely in docking maneuvers and trailer loading.
- A lever located on the left side makes it easy to engage reverse and avoid the need for aggressive or dangerous maneuvers.

Sea-Doo SPARK without iBR

295100596

$364.99

DEPTH FINDER
- Displays the water depth below the hull.
- Plug-and-play connection.
- Requires Electric Connection Kit (295100599).

Sea-Doo SPARK

295100590

$379.99

ELECTRIC CONNECTION KIT
(Not illustrated)
- A very convenient and safe way to add electrical accessories.
- Installs plug-and-play style to the Sea-Doo SPARK wiring harness with an easy installation.
- The Electrical Connection Kit allows you to add 2 electrical accessories.
- Required in order to install the Sea-Doo SPARK Depth Finder (295100590).

Sea-Doo SPARK

295100599

$114.99

RF D.E.S.S.™ KEY
- Anti-theft technology for the marine world.
- Digitally Encoded Security System (D.E.S.S.) Key's ball-and-socket design provides riders with easy and quick starts every time.
- A radio frequency chip inside the key communicates with the vehicle wirelessly, so your Sea-Doo SPARK starts only when the key code matches the vehicle, for ultimate peace of mind.
- Unlike previous D.E.S.S. keys, harness now sold separately.
- Requires Wiring Harness to install on SPARK without iBR (278003491), SPARK with iBR (278003490) and SPARK TRIXX (278003195 and 278003490).

Sea-Doo SPARK

295100712

$119.99

LEARNING KEY LANYARD
- Reduces the speed of your watercraft and allows less experienced riders to learn gradually.

Sea-Doo SPARK with D.E.S.S. key

278003093

$69.99

FLUSH KIT
- A must to help keep your engine corrosion-free and to maximize performance.
- Kit includes all necessary components for a hassle-free flush.

Sea-Doo SPARK Standard on 2015 and up models

295100555

$39.99

HEAVY DUTY WEAR RING
(Not illustrated)
- Simple cost effective way to keep the pump system operating like new.
- Made of resistant stainless steel to withstand damage from debris and saltwater corrosion.
- Precision machined for peak performance and durability.
- Fits with just the right amount of clearance from impeller.

Sea-Doo SPARK

295100649

$234.99

12-VOLT OUTLET AND INSTALLATION KIT

- Equipped with waterproof cover to prevent water infiltration.

Sea-Doo SPARK, GTI, GTS, GTR, WAKE 155, RXP-X

295100577

$64.99

BILGE PUMP KIT
- Keeps engine compartment dry.
- Includes 460 gph bilge pump, stainless steel mounting bracket, bilge fitting, hose and hardware necessary for installation.

Sea-Doo SPARK

295100497

$169.99

SPARK MOVE II TRAILER

- A trailer made specifically for your Sea-Doo SPARK watercraft.
- Weighing 30% less than other Move II models and 25% shorter, the SPARK Move II Trailer totally redefines traveling light.
- You can actually tow it with most small cars since it's under 1,500 lb even when loaded with two Sea-Doo SPARK PWCs.
- It comes pre-calibrated, so you're good to go, from the get-go.

WITH LEAF SPRING SUSPENSION

Overall length	3.8 m	Overall height (fenders)	61 cm	Approx. weight	155 kg
Overall width	2.5 m	Overall height (winch)	87 cm	Carrying capacity	555 kg
Width between fenders	2.2 m	Coupler	5 cm (2 in)	Tire size	12.2 cm x 30 cm (4.80 in x 12 in)

The SPARK Move II trailer is so well designed, it can be towed by most small car even loaded with two Sea-Doo SPARK PWC.

Available in galvanized or black painted frame, with or without Marine Jack.

SEA-DOO SPARK COVERS

- Strapless design allows easy installation.
- Solution-dyed fabric for increased UV resistance.
- Features include patented air release vent system for trailering and interior pouch to store cover when not in use.
- Easy access to the gas cap and storage box without removing the full cover.
- Openings to accommodate the Speed Tie system and Snap-in Fenders while docked, plus one at the back for hook under the seat.

GRAPHIC KITS

More than 25 different Graphic Kits available in 3 levels of customization and color options for a wide range of combinations.

These Sea-Doo exclusive Attitude Graphic Kits let you customize your Sea-Doo SPARK, whether for a simple facelift or because you want your watercraft to turn heads. All you need to do is go to www.scsseadoographics.com to view all the wrap options, then simply visit your Sea-Doo dealer, who will handle your order and the installation.

The Sea-Doo SPARK wraps are designed to bond to all surfaces of the vehicle, and the designs will not fade in sunlight, so you can count on an awesome splash of color every time you ride. The Attitude Graphic Kits are BRP licensed products supplied by SCS, and depending on the levels of customization selected, price range from $125 to $560*.

*Shipping and Installation fees not included.

$25.99

SEA-DOO SPEED TIE (LEFT IMAGE)

- Fully-integrated watercraft mooring system, providing the ultimate in convenient, quick and secure docking.
- The Speed Tie system is a must-have accessory that frees up storage space and ensures you have a dock line at all times.
- Stores 7' (2.1 m) of rope and locks to desired length.
- Standard equipment on the GTX Limited models.
- Sold in pairs.

RXP-X (2012 and up), GTR-X

295100466

$279.99

GTR (2012 and up), GTI, GTI SE & GTS (2011 and up), GTX without suspension (2010 and up), WAKE Pro, WAKE 155, RXT & RXT-X without suspension (2010 and up)

295100422

$244.99

GTX iS & RXT iS (2009 and up), RXT-X aS (2011 and up), GTX-S 155 with suspension (2012)

296000249

$244.99

The Sea-Doo Speed Tie makes docking easier than ever with seven feet of retractable dock line, at the helm and on the transom, that effortlessly stows out of sight.

SEA-DOO SPEED TIE FOR DOCK

- Same exclusive mooring system available as a PWC accessory, adapted for dock mounting.
- Provides quick and secure mooring for all watercraft, eliminating excessive rope on deck.
- Bolts directly to dock.
- Stores 7' (2.1 m) of rope and locks to desired length.
- Sold individually.

295100336

$144.99

LEARNING KEY LANYARD

- Reduces the speed of your watercraft and allows less experienced riders to learn gradually.

DI & 4-TEC models (2014 and prior)

278002203

$69.99

D.E.S.S. FLOATING SAFETY LANYARD

- Replacement D.E.S.S. lanyard.

Models 2014 and prior

278002199

$69.99

SANDBAG ANCHOR

- Made of 600-denier solution-dyed yellow polyester fabric capable of holding an estimated 45 lb (12.5 L) of wet sand.
- Measures 15 ¾'' x 9'' (40 cm x 22.9 cm).
- 16' half-inch nylon strap (4.9 m x 1.3 cm).
- Plastic hook attachment and molded floater.

295100661 • Yellow

$34.99

ANCHOR*

- High performance Richter† anchor.
- Provides superior grip and easy retrieval.
- Holds all watercraft up to 22' (7 m) in length.

295100289

$109.99

*Limited quantities available.

FENDER

- Polyform strength and dependability with a vinyl valve system for quick, flexible adjustment of firmness.
- One fender and one rope per package.
- Fender ties included.

295100372

$34.99

ANCHOR

- 11 lb (5 kg) fluke-style anchor with slip ring provides sure grip.

295100046

$74.99

TUBE TOW ROPE*

- 50' (15.2 m) heavy-duty tow rope.

All 3-seater PWCs

295100207

$54.99

*Limited quantities available.

DOCK TIE

- Moor your watercraft with this floating Sea-Doo shock cushioned nylon rope.
- Provides security to keep your watercraft and dock attached.
- One per package.

295100047

$34.99

FIRE EXTINGUISHER

- A requirement for any watercraft.
- Ideal for grease, oil and electrical fires.
- Canadian Coast Guard approved.

Note: White color not available in Canada.

295100005 • Red

$29.99

WHISTLE

- "Pea-less" whistle.
- Produces an extremely loud, high, penetrating sound that can be heard over long distances.
- Unaffected by water; just clear with one quick blow.

295500554

$11.99

SAFETY EQUIPMENT KIT

- This kit includes all the essentials for your watercraft.
- 50' (15 m) of buoyant heaving line, bailer, whistle and watertight flashlight.

295100330

$26.99

THE PERFECT CARRY-ALL FOR CARRYING ON WORRY-FREE

Although no one expects your beach towel to be wrinkle-free, aiming for dry is something we can all agree on. That is why quality storage is important on a Sea-Doo watercraft. Adding a fitted Glove Box Organizer, Storage Tray, or Dry Bag will make your life easier and keep your items safer and dry when on the water.

DRY BAG

- Watertight bag.
- Puncture-resistant PVC coated polyester fiber material.
- Reinforced bottom.
- Offered in 10 L or 25 L capacity (2.6 or 6.6 US gallons).

269502121 • Black • 10 L (2.6 US gallons)

$34.99

- Includes a shoulder strap. 420-denier resistant polyester with TPU coating.

269001936 • Black • 25 L (6.6 US gallons)

$64.99

GLOVE BOX ORGANIZER KIT

- Kit includes glove box liner and semi-rigid splash-resistant portable case.
- Liner cushions the inside of the glove box to provide insulation.
- Case fits perfectly in the glove box and is easily accessible when opening the glove box cover.
- This semi-rigid case is perfect for carrying and storing valuables, e.g. keys, cell phone, wallet, sunglasses.

Models on S³Hull™, all iS models

295100327

$149.99

FRONT STORAGE TRAY

- Optimizes storage space.
- 12 L (3.2 US gallons) capacity.

RXP-X (2012 and up), GTI & GTS (2011 and up), GTR (2012 and up), WAKE 155

295100583

$184.99

STORAGE TRAY

- Complete with molded compartments for convenient storage of your watercraft safety kit, cooler and watertight foam insulated otter box.
- Netting provides secure storage for towels, clothing and sandals.
- Comes with a practical integrated carry handle.

GTX & RXT (2009 and prior), except models with iS

269501478

$84.99

REGISTRATION KIT

- High quality UV-resistant registration kit.
- Easy to install without deformation, with a glue that will adhere to all surfaces, including Sea-Doo SPARK.
- Available in two contrasting colors that meet mandatory regulations for height and size.

All PWC models

COVERS

A storage cover is essential to ensure your Sea-Doo watercraft is protected from the elements and to maintain a fresh appearance. There's a perfectly fitted cover for every model in the line.

COVERS

- Complete and versatile lineup of watercraft covers.
- Solution-dyed fabric offers easy handling and increased UV resistance.
- Strapless design provides easy installation.
- Patented air release vent system for trailering.

MOVE TRAILERS

Perfectly designed for all our Sea-Doo watercraft, and used by other watercraft brands.

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available in galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.

DRILL PUMP

- Safely and easily removes engine oil.

All 4-TEC engines
295100244
$29.99

BRP REBUILD CENTER

BRP has a Rebuild Center for watercraft engines, short blocks, cylinders and crankshafts. Available from your dealer, rebuilt parts come with a one year warranty and save you significant money.

Experienced BRP technicians use only new, original Rotax parts — there's no cutting corners and reusing parts that "look good." For instance, when rebuilding a crankshaft, ALL bearings, rods, pins and seals are replaced, regardless of condition.

Rebuilt long blocks get new pistons, rings, gaskets, crankshaft bearings, valves and seals - all replaced with new genuine Rotax parts.

The BRP Rebuild Center has been providing this service to dealers and consumers for more than 30 years.

ASK YOUR AUTHORIZED SEA-DOO DEALER FOR DETAILS.

YUASA† BATTERIES

- Top of the line models from the preferred original equipment battery supplier in North America.

LIFT KIT

- Accurately lifts and positions your watercraft with a lift kit of nylon webbing and vinyl-coated steel lift plates.
- Lifting capacity of 1,200 lb (544 kg).

529036189
$494.99

YUASA AUTOMATIC I AMP BATTERY CHARGER

- Keeps your battery charged and ready to ride.
- Hook it up - plug it in – charge.
- Includes adapter and clips.
- 3-stage charge cycle switches automatically to maintenance mode.
- Easy-to-read 3-color LED charge monitor.
- Built-in overcharge prevention.

529036307
$49.99

SACRIFICIAL ANODES

- Sacrificial anodes are specifically designed to protect parts of your personal watercraft that are underwater from galvanic corrosion.
- Like the name implies, they essentially "sacrifice" themselves by absorbing the electrochemical process of corrosion to prevent metal components like the impeller, jet pump nozzle or engine from being "eaten away" instead. Galvanic corrosion can cause major damage if not controlled. Inspect your sacrificial anode at least once a month.
- Replace it when it is 50% depleted.

Outside diameter: 26 mm Height: 6 mm

IMPELLERS

- High performance impellers designed specifically to maximize your Sea-Doo watercraft and boat performance.

See your certified BRP dealer about matching the right parts to your PWC.

WEAR RING

- Simple, cost effective way to keep the pump system operating like new.
- Restores tight clearance to your impeller.
- Reduces cavitation and recovers the performance lost caused by a worn ring.

See your certified BRP dealer about matching the right parts to your PWC.

NGK† SPARK PLUGS

- BRP dealers carry the full line of premium NGK spark plugs for Sea-Doo watercraft.

USING THE RIGHT OIL MATTERS

The right oil delivers:

THE BEST PERFORMANCE, THE BEST RELIABILITY THE LONGEST LIFE

It's a balancing act to deliver all three attributes – and only XPS, with its custom blend formulations and carefully matched additives, is specifically designed to do just that in a Rotax engine.

DOES ONE OIL FIT ALL?

Our efficient, high-output engines place strong demands on engine oil. At BRP, we treat oil like an actual mechanical part that is developed concurrently with our latest high-performance engine technology.

XPS 4-STROKE OILS

FACT: XPS 4-stroke oils are BRP engineer-certified for unmatched lubrication, the right characteristics for high-performance Sea-Doo superchargers, the right viscosities to best protect our engines from startup to operating temperatures, and they all have extra corrosion additives to better protect your engine intervals from moisture.

WHY CHOOSE XPS 4-STROKE ENGINE OILS INSTEAD OF LOWER-COST ALTERNATIVES?

BRP engineers and experts like Mischa Zimmerman have proven repeatedly that other brands of oil don't meet the high standards BRP desires for engines like the Rotax 1630 ACE engine.

- Each vehicle manufacturer establishes their own lubrication standards and test criteria to validate OEM oil – this means XPS achieves a much higher standard.
- Even oil that is more expensive than XPS will not have the same custom-matched performance for Rotax marine engines.
- Our oil is tested on the whole lineup of vehicles and engines we manufacture — not just one or two models. Our specific testing includes real world miles to ensure XPS meets our performance requirements as opposed to relying only on generalized, minimum specifications that most aftermarket oil brands use.

AREN'T THERE OTHER HIGH QUALITY OILS ON THE MARKET?

Yes. But no other oil is designed as an actual mechanical part during engine development like XPS. Your satisfaction matters.

XPS ENGINE OILS AND MAINTENANCE PRODUCTS

The XPS brand has a complete family of performance products to expertly protect, enhance and extend the life of your BRP vehicle.

XPS ENGINE OILS

XPS 4-STROKE SYNTHETIC OIL

- Specifically formulated and BRP-engineer certified for use in Sea-Doo watercraft.
- Premium synthetic base with custom additives provides unmatched lubrication and enhanced corrosion protection.
- Also provides better cold start protection.

1 quart (946 ml)	1 US gallon (3.785 L)
293600112	293600115

XPS 4-STROKE SYNTHETIC BLEND OIL

- Specifically formulated and BRP-engineer certified for use in Sea-Doo watercraft.
- Synthetic blend with custom additives provides enhanced corrosion protection.

1 quart (946 ml)	1 US gallon (3.785 L)
293600121	293600122

XPS 2-STROKE SYNTHETIC OIL

- The ultimate in protection, this 2-stroke fully synthetic injection oil was developed specifically for our highest performance engines.
- Full synthetic XPS has extra detergency to provide optimum engine cleanliness and anti-wear additives for longer engine life.
- This high performance, low smoke, low odor formula is the very best product for Sea-Doo watercraft Rotax RFI or DI 2-stroke engines.

1 quart (946 ml)	1 US gallon (3.785 L)
293600132	293600133

XPS 2-STROKE MINERAL OIL

- Formulated and developed to work specifically in Sea-Doo watercraft equipped with Rotax carbureted 2-stroke engines.
- Offers optimal lubrication.
- Can also be used as pre-mix.

1 quart (946 ml)	1 US gallon (3.785 L)
293600117	293600118

XPS 4-STROKE OIL CHANGE KIT

- Ultra-convenient "all-in-one" oil change kit saves time and money.
- Includes XPS Synthetic Blend Oil, oil filter, o-rings.

295501157 • 1503 4-TEC
$76.99

295501138 • 900 ACE
$39.99

295501156 • 1630 ACE
$82.99

Note: Please contact your nearest dealer for suggested retail prices of oil based products.

XPS CLEANERS

XPS BOAT & PWC CLEANING AND DETAILING KIT

- Everything needed for care and cleaning, including the bucket.
- Includes: All Purpose Cleaner, Vinyl Cleaner, water-based Spray Cleaner & Polish, 2 microfiber towels and a Deluxe Wash Sponge.

219702871

$64.99

XPS MICROFIBER TOWELS

- The latest in high-quality detailing towels.
- Made up of extremely fine fibers, their soft surface have been perfected for drying and polishing boats, watercrafts or any shiny finish.
- They are so absorbent they hold up to seven times their weight in water.
- Machine washable means they can be used over and over again.
- Pack of 2.

219701759

$9.99

ALL THESE PRODUCTS ARE AVAILABLE INDIVIDUALLY

XPS All Purpose Cleaner 32 oz. (946 ml)	**219701709**	**$9.99**
XPS Vinyl Cleaner 32 oz. (946 ml)	**219701710**	**$14.99**
XPS Spray Cleaner & Polish 12 oz. (340 g)	**219702844**	**$11.99**
XPS Boat & PWC Wash & Wax 32 oz. (946 ml)	**219701711**	**$11.99**

MAINTENANCE PRODUCTS

XPS PRE-MIXED ANTIFREEZE/COOLANT

- Pre-mixed, ready to use.
- Exceptional 5-year extended service life.
- Provides superior heat transfer, protection against corrosion and cavitation.
- Specifically formulated for use in Sea-Doo vehicles.
- Ideal as a replacement coolant in vehicles that generally use 2-year antifreeze/coolant (green).

219702685 • 5 years (orange) • 1 quart (946 ml)

$11.99

XPS STORAGE OIL

- This specialty oil is a must when storing a watercraft away for extended periods.
- Specially formulated to protect the engine's internal parts from the hazards of rust and corrosion due to condensation during storage or prolonged periods of non-use.

413711600 • 12 oz. (350 g)

$12.99

XPS LUBE

- Multipurpose lubricant.
- Prevents rust, corrosion and moisture intrusion.
- Contains active extreme-pressure additives which provide excellent lubrication and antiwear properties.
- Comes in a spray that works upside down.

293600016 • 14 oz. (400 g)

$14.99

XPS CARBON FREE FUEL TREATMENT

- Prevents problems inherent in Ethanol-blended fuels.
- Extends storage life of fuel up to 12 months.
- Cleans fuel system while preventing corrosion and oxidation.
- Helps keep piston rings, valves and combustion chamber carbon-free to prevent difficult starting and restore peak performance.

219702533 • 12 oz. (355 ml)

$9.99

XPS FUEL STABILIZER

- Extends fuel life by preventing fuel breakdown during storage.
- Helps prevent difficult starting, throttle hesitation and poor performance.
- Anti-corrosive, anti-oxidant formula protects fuel system and engine.
- Prevents problems inherent in Ethanol-blended fuels.

413408601 • 8 oz. fl (236 ml)

$12.99

XPS JET PUMP OIL

- Helps maintain the life of the Sea-Doo watercraft jet pump.

293600011 • 6 oz. (170 g)

$20.99

XPS JET PUMP BEARING GREASE

- Formulated for high performance in extreme conditions.
- Reduces the effects of wear, rust, oxidation, and contamination while providing excellent lubricity for moving parts.

293550032 • 3.9 oz. (110 g)

$10.99

XPS SYNTHETIC GREASE

- Recommended for marine applications.
- This synthetic grease provides the best wear protection and water resistance available.

293550010 • 14 oz. (400 g)

$25.99

TRIPLE-GUARD® MARINE GREASE

- This tough grease stays in place and is unaffected by vibration, salt water or cold temperatures.
- Reformulated for high water resistance and improved adhesion to metal.
- Won't swell seals, packing or o-rings.
- Totally waterproof to prevent water wash-off.

296000329 • 8 oz. (227 g)

$7.99

ANTI-CORROSION SPRAY

- Heavy, waxy coating specifically designed to protect your engine from rust and corrosion.
- Highly effective against corrosion caused by salt water and salt spray.

219700304 • 11 oz. (312 g)

$13.99

MORE THAN JUST OIL.

XPS OILS AND ROTAX ENGINES. CREATED, DEVELOPED, AND CONSTANTLY EVOLVING TOGETHER TO WORK BEST TOGETHER.

It's all about reaching optimum performance and protection, ensuring XPS oils have no equals when used in Rotax engines, and Rotax engines have no equals when they use XPS oils.

QUALITY, INNOVATION, RELIABILITY AND PERFORMANCE GO INTO EVERY BRP VEHICLE AND INTO EVERY DROP OF XPS OIL.

BRP performance requirements exceed oil certification standards, so we set our own: Testing, and retesting our oils in every Rotax engine type under a wide range of rigorous operating conditions to make sure they work the best under all conditions.

XPS IS THE ONLY OIL SPECIFICALLY ENGINEERED FOR ROTAX ENGINES.

BRP's Rotax engines are the perfect embodiment of power and technology, and only highly specialized, specially engineered XPS oils can ensure they always operate at their maximum efficiency and potential.

XPS OILS & ROTAX ENGINES. PARTNERS IN PERFORMANCE.

Products in this catalog will be available for purchase at your authorized Sea-Doo dealer and online at store.sea-doo.com starting January 2017. For advertising purposes, some scenes depicted in this catalog include professional riders and operators executing under ideal and/or controlled conditions. Do not attempt any of these or any other risky maneuvers if they're beyond your level of riding ability, as well as your understanding and respect for the performance of your Sea-Doo watercraft. RIDE SMART FROM THE START. Always ride responsibly and safely. Follow all instructional and safety materials, BRP recommends a minimum operator age of 16 years old for riding a watercraft. Always wear appropriate protective clothing for your type of boating use, including a Coast Guard approved personal flotation device. Always remember that riding and alcohol/drugs don't mix. Operate your watercraft keeping a safe distance between yourself and others. Always observe applicable local laws and regulations. Because of its ongoing commitment to product quality and innovation, Bombardier Recreational Products Inc. (BRP) reserves the right, at any time, to discontinue or change specifications, prices, designs, features, models or equipment without incurring any obligations. Some models depicted herein may include optional equipment. Prices are based on Manufacturer Suggested Retail Prices. Dealers may sell for a different price.
